Honoring Your Co-workers & You — Our Nation’s Essential Workers

International Workers Memorial Day is observed each year on April 28.

Please join us again this year at 10 a.m. for a Moment of Reflection when you are asked to pause your work to honor fellow co-workers who lost their lives putting food on our nation’s tables.

We also ask that you acknowledge our Nation’s First Responders & Other Essential Workers for their continued service to our communities.

As always, I consider it an honor and a privilege to serve as your President.

Livingston ShopRite Maintenance Team Votes YES to Their First-Ever Union Contract

You see these folks everyday, working tirelessly both inside and outside the store to make sure the store is clean and welcoming for shoppers. And, because they organized and voted to join a union last month, these co-workers were able to secure their first-ever Union Contract. Their CBA (Collective Bargaining Agreement), like all Local 1262 members contracts, ensure they will be treated fairly on the job and calls for contractually agreed upon benefits that include scheduled wage increases and health and welfare benefits.

**If you know of workers who would like to join a union
— either in your store or at another business —
please contact Local 1262.**
