## Benefits Liaison

to help you navigate your out-of-the ordinary health insurance problems?

Assistant Field Director for Benefits Betty Laughery is here to help members who have Health & Welfare or Pension issues that cannot be resolved through our Funds Office.

Betty works with members providing one-on-one personal assistance to help them understand Explanation of Benefits (EOB) Forms, denied coverage issues and more. She can also help with any pension or retirement issues you might have.

Betty travels daily with our Union Representatives visiting stores and meeting with members to resolve their problems.

**Speak to your Union Representative or Shop Steward if you could use some assistance from Betty.**

***Our Health & Welfare Liaison Program is just another service to our members that goes beyond your contractually negotiated benefits like Health & Welfare coverage, retirement plans and wage increases.***
