

Did You Know?

...that Local 1262 now has

Two Benefits Liaisons

to help you navigate your out-of-the ordinary health insurance problems?

They are Assistant Field Directors for Benefits Betty Laughery and Tom Whille. And they are here to help members who have Health & Welfare or Pension issues that cannot be resolved through our Funds Office.

They work with members providing one-on-one personal assistance to help them understand Explanation of Benefits (EOB) Forms, denied coverage issues and more. They can also help you with any pension or retirement issues you might have.

They travel daily with our Union Representatives visiting stores and meeting with members to resolve their problems.

Speak to your Union Representative or Shop Steward if you could use some assistance from Betty or Tom.

Our Health & Welfare Liaison Program is just another service to our members that goes beyond your contractually negotiated benefits like Health & Welfare coverage, retirement plans and wage increases.
