

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, January 26, 2024 and contains two brief messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

We would like to remind our members that effective January 1, Local 1262 members have a new enhanced Dental Plan with the Horizon Blue Cross Blue Shield PPO Plan Network. The new network has more than 329,000 providers nationwide which is a significant increase from the old plan. Eligible members should have received their New Dental Plan ID Cards in the mail. If you have not received your New ID Card please contact our Health & Welfare Office at 1-800-522-4161.

Members who work Part-Time are eligible for Dental Coverage after 24 months of employment and those who work Full-Time are eligible after three months.

We also encourage our members to download the Horizon Blue App which will help you find a provider – both Dental and Medical – more easily. A QR code for the app was included on your New Dental Plan ID Card. You can also text GetApp to 422-272 or download the Horizon Blue App from the App Store on your Smartphone.

For more details on this improved member benefit – including additional information on how to locate a dental provider – visit our website at www.ufcw1262.org. If you have questions or concerns about your coverage contact Horizon Dental at 1-800-4-DENTAL or the Fund Office at 1-800-522-4161.

In closing, I would like to thank all of our more than 22,000 members here in New Jersey and New York for your ongoing dedication and service to your communities. It is truly an honor and privilege to serve as your president.

That concludes this hotline. Thank you for calling Local 1262.
