

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, January 27, 2023 and contains a message about several free educational programs for our members. This hotline and other important information for our members can also be found on our website at www.ufcw1262.org.

As a member of Local 1262 you and your family can enroll in several free educational programs. These include GED Preparation, Foreign Language and English as a Second Language courses and computer skills courses.

Details on these programs can be found on our website at www.ufcw1262.org. Just click on the Educational Programs Slide.

All courses are conducted online and are free to our members and their families.

There is also a new College Tuition Discount Program administered through the UFCW's Lifemart Discount Program. The program offers up to 15 percent off tuition for UFCW members and their families at more than 24 colleges and universities ranging from Adelphi to Vanderbilt and degrees ranging from computer tech to social work. For more information on this program, visit www.lifemart.com.

Programs like these are just another benefit of union membership that go beyond your contractually negotiated benefits like health and welfare and pension plans.

That concludes this hotline and as always, it is truly an honor and a privilege to serve as your president.
