

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, October 21. This hotline – as well as other important updates and information for our members – also can be found on our web site at www.ufcw1262.org.

President Wille invites our members to visit our newly redesigned website. The address is the same – www.ufcw1262.org – but there are a lot of new features.

First, you can now access both Local 1262 information and Health & Welfare information from one site (note that the Funds web address – www.1262funds.org – is still in place and will link you directly to the Funds section). Second, the site is easier to navigate on all platforms including mobile phones. And last, but not least, you can download various Local 1262 and Health & Welfare forms and documents, including a copy of your contract, directly from the site.

Members can also sign-up for Local 1262's New Email Program and our Text Program via the site. As always, our website is updated at least weekly on Friday with a President's Message, and more frequently as needed.

Next, we would like to remind you that Halloween is just around the corner and so are the trick-or-treaters! When shopping for treats and other Halloween party needs, please remember to support Union Jobs by shopping Union Supermarkets and buying Union-Made products. Union Supermarkets in our area include ShopRite, Stop & Shop, Foodtown, Fresh Grocer, Food Bazaar, Acme, Tops Market, Morton Williams, PriceRite and Uncle Giuseppe's. You can visit www.labor411.org for an exclusive list of Union-made candy, as well as other Union-made products, made by companies who support and appreciate Union workers like you.

That concludes this hotline. Thank you for calling Local 1262.

Please ask your fellow Local 1262 Brothers and Sisters to join Local 1262's texting program.
