

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, November 1, 2024 and contains two messages. message. This hotline – as well as other important updates and information for our members - can also be found on our web site at www.ufcw1262.org.

Local 1262 applauds our members and our staff that got into the spirit of the season yesterday on Halloween. To see pictures of some of these folks, visit our website at www.ufcw1262.org and click on the first slide.

Our second message is to remind our members that next Tuesday, November 5, is Election Day. Many people have worked tirelessly over the years to secure your right to vote and we urge you to make your voice heard by voting in person on Tuesday or at early voting locations in your town that will be open until 6 p.m. on Sunday, November 3. The polls will be open on Tuesday, November 5 from 6 a.m. to 8 p.m. in New Jersey and from 6 a.m. until 9 p.m. in New York State.

For information on early voting and other related topics including proof that you are registered to vote, visit www.nj.gov/state/elections. If you live in New York, visit www.elections.ny.gov.

Links to both of these sites can also be found on Local 1262's website www.ufcw1262.org.

And don't forget, that your contract includes Presidential Election Days as a paid holiday, **but only if you are registered to vote**. Members who work full-time are eligible for this benefit after three months of service and are paid eight hours Holiday Pay. Part-timers are eligible after six months of service. If you have questions about this holiday, please speak to your Union Representative.

As always, I thank you – our more than 22,000 members here in New Jersey and New York - for your ongoing dedication and service to your communities. It is truly an honor and privilege to serve as your president.

That concludes this hotline. Thank you for calling Local 1262.

Please ask your fellow Local 1262 Brothers and Sisters to join Local 1262's texting program.

Simply text UPDATES1262 to 83071.
