

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, November 14, 2025 and contains two brief messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

On Sunday, November 9, Local 1262's New Jersey Stop & Shop members voted to approve a contract extension with their employer that, among other things, provides continued health and welfare benefits -- with no co-pay by members on the monthly premium -- until October 25, 2031.

The contract extension also provides increased contributions to the Defined Benefit Pension Plan and to the Defined Contribution Retirement Plan for both full-time and part-time employees.

Additionally, wage increases will be implemented Across-The-Board for all full-time and part-time workers and will be retroactive to October 26, 2025. The contract also calls for increased premiums for Department Managers, Classified Positions and Night Crews and increased vacation time for full-time and part-time employees.

Our second message is to remind our members and their friends and family to Shop Union Supermarkets and Buy-Union Made products for your Thanksgiving celebration. When people Shop Union Supermarkets and Buy Union-Made products, they help create and sustain the good paying jobs with benefits and job protections only a Union Contract can provide.

Union Supermarkets in our area include ShopRite, Stop & Shop, Foodtown, Fresh Grocer, Food Bazaar, Acme, Tops Market, Morton Williams, PriceRite and Uncle Giuseppe's. For a list of Union Made products visit our website or www.labor411.org.

That concludes this hotline. Thank you for calling Local 1262.
