

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, November 18, 2022, and contains two messages. This hotline – as well as other important updates and information for our members – also can be found on our web site at www.ufcw1262.org.

Local 1262 has successfully organized the Maintenance and Cart workers at 14 more Village Supermarket locations in New Jersey. This recent move follows on two successful votes taken at the South Livingston and East Orange locations earlier in the year.

Please welcome these nearly 100 new members to Local 1262.

And, if you know someone who is interested in having union representation in their workplace, please speak to your Union Rep or call our headquarters and ask to speak to an Assistant Field Director. All inquiries are confidential.

Our second message is to remind our members to Shop Union Supermarkets and Buy Union Made Products this Thanksgiving and throughout the holiday season. When you Shop Union Supermarkets and Buy Union Made Products, you help create and preserve jobs that provide contractually negotiated benefits including wage increases and health and welfare benefits.

Union Supermarkets in our area include ShopRite, Stop & Shop, Foodtown, Fresh Grocer, Food Bazaar, Acme, Tops Market, Morton Williams, PriceRite and Uncle Giuseppe's. You can visit www.labor411.org for an extensive list of food and other products made by companies who support and appreciate Union workers like you.

As always, I thank all of our members for your ongoing dedication and service. I consider it an honor and privilege to serve as your president.

That concludes this hotline. Thank you for calling Local 1262.
