

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, December 26, 2025 and contains two messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

The first message is for our members employed by Dearborn Market and Facility. A Contract Ratification meeting will be held on Tuesday, January 6, 2026 at 1 p.m. in the Facility Building in Holmdel, NJ. Notices regarding this meeting have been posted in the market and the facility. Dearborn members are encouraged to attend this meeting. Please bring a valid form of ID such as your Union Card or Driver's License. Dearborn members with questions regarding these meetings should contact their Union Representative Ron Wille at 1-800-562-6913, extension 1921.

Our second message is to announce that the members employed in the Maintenance Department at New Jersey Stop & Shop stores overwhelmingly voted to extend their contract with the company. The contract extension provides, among other things, continued health and welfare benefits -- with no co-pay by members on the monthly premium -- until October 25, 2031. It also provides increased contributions to the Defined Benefit Pension Plan and to the Defined Contribution Retirement Plan for both full-time and part-time employees. Additionally, wage increases will be implemented Across-The-Board for all full-time and part-time workers and will be retroactive to October 26, 2025.

That concludes this hotline. Thank you for calling Local 1262.
