

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey While as of Friday, February 3, 2023 and contains two messages. This hotline and other important information for our members can also be found on our website at www.ufcw1262.org.

Congratulations to Local 1262's Officers and Executive Board who were re-elected in July and sworn into their new three-year term of office on Monday, January 30. We are also proud to announce our newest Board Member, Union Representative James Feimster a 30-year member of our staff who has served on many committees over the years and brings a wealth of knowledge to our Board.

Local 1262 would also like to take this opportunity to remind our members that our Assistant Field Director for Benefits, Betty Laughery, is available to help them navigate out-of-the ordinary health insurance problems such as denied coverage. Betty travels daily with our Union Representatives visiting stores and meeting with members to resolve their problems. If you have a health & welfare issue that cannot be resolved through our Funds Office, you can also call your Union Rep or contact Betty directly at 973-777-3700, extension 1915.

Our Health & Welfare Liaison Program is just another service to our members that goes beyond your contractually negotiated benefits like health and welfare and pension plans.

That concludes this hotline and as always, it is truly an honor and a privilege to serve as your President.

Please ask your fellow Local 1262 Brothers and Sisters to join Local 1262's texting program. Simply text UPDATES1262 to 83071.
