

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, February 9, 2024 and contains two messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

The long President's Day Weekend is coming up and if you are planning a quick get-away we would like to remind you to take a few minutes to prepare ahead of time for emergencies by making a list of the In-Network Urgent Care Centers or Hospitals that are nearest to your destination. You can find In-Network Providers by visiting www.horizonblue.com, then select "search Nationally". Remember if you use an out-of-network provider – even when travelling – your claim may not be covered under your insurance. You can find more information on this subject on our web site by clicking on the Health & Welfare tab at the top right.

And when planning that weekend getaway – or even if you are planning activities near home – don't forget to take advantage of the union-member only discounts provided by www.unionplus.org and www.myufcw.org. Both sites provide discounts on everything from hotels and restaurants to movie tickets and theme parks.

Lastly, we would like to remind our members and their families to **shop** union and **buy** union this weekend when preparing for the Super Bowl and Valentine's Day (next Wednesday, February 14). As a union member you know first-hand the importance of shopping in union supermarkets. But there are also union companies that manufacture everything you need for your celebrations. Visit our web site or www.labor411.org for a list of union made products. Everything from beer and wine to chicken wings and chips as well as chocolates and champagne.

As always, don't forget to shop Union Supermarkets including ShopRite, Stop & Shop, Acme, Foodtown, Food Bazaar, Fresh Grocer, Dearborn Market, Tops Markets and Morton Williams, just to name a few.

Remember that when you shop union supermarkets or buy union-made products you help preserve good paying union jobs that provide benefits and wages that help strengthen America's working families.

In closing, I would like to thank all of our more than 22,000 members here in New Jersey and New York for your ongoing dedication and service to your communities. It is truly an honor and privilege to serve as your president.

That concludes this hotline. Thank you for calling Local 1262.
