

**Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, March 14, 2025 and contains two messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at [www.ufcw1262.org](http://www.ufcw1262.org).**

Our first message is for our members employed by Fresh Grocer and Foodtown (not including Food Circus Foodtowns). Local 1262 representatives and members of the Fresh Grocer/Foodtown Negotiation Committee will meet with company officials this Wednesday, March 19 to continue contract negotiations. Among the items to be discussed are health and welfare and pension contributions and wage increases. Please check this hotline or our website on Wednesday afternoon for an update on this meeting.

Our second message is to remind our members **who have Medical Coverage** that they should have received their new Insurance ID cards in the mail which reflect our new Mental Health Benefits coverage through Horizon Behavioral Health. If you did not receive your new Insurance ID Card, please call our Fund office at 1-800-522-4161.

The transition to Horizon Behavioral Health expanded the scope of our members' Mental Health and Substance Abuse Disorder benefits and includes a New Jersey network of more than 16,000 providers and a national network of more than 585,000 providers. More information on this benefit can be found on our website at [www.ufcw1262.org](http://www.ufcw1262.org).

That concludes this hotline. Thank you for calling Local 1262.
