

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, April 18, 2025 and contains one message. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

Local 1262 is pleased to report that on Tuesday, April 15 our Fresh Grocer and V&V Markets Foodtown members voted to approve new contracts with their employers.

The new four-year contracts, which expire January 6, 2029, provide continued health and welfare benefits with no change in the level of benefits and no co-pay on monthly premiums.

The contracts also provide continued contributions to the Defined Benefit Plan and Defined Contribution Plan.

Additionally, wage increases will be implemented for all full-time and part-time workers, with the wage increases retroactive to January 18, 2025.

Members with questions regarding these contracts should contact their Union Representative at 1-800-562-6913.

We would like to thank the rank-and-file Fresh Grocer and Foodtown members who served on the Contract Negotiation Committee and Contract Report Committee for their assistance in negotiating the new contracts.

That concludes this hotline. Thank you for calling Local 1262.
