

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, April 25, 2025 and contains two messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

International Workers Memorial Day is observed each year on April 28. Once again, Local 1262 has asked that employers participate in a Moment of Reflection at 10 a.m. on Monday, April 28 to recognize the employees who work tirelessly on a daily basis to help put food on our tables. It is also a time to honor the *Supermarket Essential Workers* who have lost their lives, many of them due to COVID-19.

In years past customers shopping in the stores also joined with management and workers in honoring our brothers and sisters. We would like to thank the employers in our area who so kindly worked with us to schedule this important event.

Our second message is to remind our members who live in New Jersey of the importance of voting in the Gubernatorial Primary scheduled for Tuesday, June 10. In order to vote in this primary you must be registered to vote by Tuesday, May 20. Links to register on-line can be found on our website at www.ufcw1262.org. If you want to vote by mail in the Primary you must make that request from your County Board of Elections no later than June 3. Forms for Vote By Mail Ballots – and other helpful information about voting – can be found at www.nj.gov/state/elections.org

In closing, I would like to thank all of our more than 22,000 members here in New Jersey and New York for your ongoing dedication and service to your communities. It is truly an honor and privilege to serve as your president.

That concludes this hotline. Thank you for calling Local 1262.
