

Thank you for calling Local 1262's Information Hotline. This is a special update from President Harvey Whille as of Thursday, April 4, 2024 and contains a message for our members employed by ShopRite. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

Local 1262 has been notified by the Wakefern Company that checks are being mailed to **some** of our members employed by ShopRite.

The checks are the result of a Class Action Lawsuit filed several years ago regarding a miscalculation of Sunday and Holiday Pay for certain ShopRite workers.

The checks, which bear the Village Supermarkets logo, are being mailed to the ShopRite members covered by the lawsuit, even if they do not work for Village Supermarkets.

It is important to note that these checks are legitimate and can be cashed even if you do not work for a Village Supermarkets ShopRite.

Local 1262 is not privy to the company's payroll records so please direct any questions you may have regarding the checks to your employer. If your employer is unable to assist you, please contact your Union Representative so we can intervene on your behalf.

That concludes this hotline. Thank you for calling Local 1262.

Please ask your fellow Local 1262 Brothers and Sisters to join Local 1262's texting program.

Simply text UPDATES1262 to 83071.
