

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey WHY LEE as of Friday, May 31, 2024 and contains a message for our members employed by Stop & Shop. This hotline and other important information for our members can also be found on our website at www.ufcw1262.org.

Local 1262 is aware of the recent announcement by Ahold that it plans to close so called "underperforming" Stop & Shop stores as part of its business plan this year.

As of this posting we are unaware of any underperforming stores in our area.

Local 1262 is closely monitoring this situation and will continue to update our members as new details are available.

As always, we will continue to ensure that our members rights as provided for in your Collective Bargaining Agreement (CBA) with Stop & Shop will be strictly enforced.

In closing, I would like to thank all of our more than 22,000 members here in New Jersey and New York for your ongoing dedication and service to your communities. It is truly an honor and privilege to serve as your president.

That concludes this hotline. Thank you for calling Local 1262.
