

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Whille as of Friday, July 10, 2026 and contains two messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

Local 1262 is proud to announce that upon the sale of the Hillside ShopRite we have entered a Memorandum of Agreement with the new owner Inserra Supermarkets, Inc.

“The Memorandum of Agreement not only protects the 200 plus Local 1262 members employed at the Hillside location, but will also provide for a seamless transition under the new ownership,” said President Whille in announcing the terms of the Agreement. “Local 1262 stepped up to the plate to protect these members who work in Hillside by ensuring that all their seniority, sick, vacation and personal time, as well as health and welfare and pension benefits, remained in place. We also successfully negotiated with Inserra to waive any probationary period for these employees, which is often a practice implemented during a corporate sale.”

Local 1262 members who have questions regarding this Memorandum of Agreement and its protections should speak to their Union Representative Ed Magierowski, at extension 1951.

Our second message is to remind our members that our next General Membership Meeting will be held via Teleconference on Monday, July 27, 2026 at 5:30 p.m.

Members who would like to participate must call Christine Connery no later than Thursday, July 23 at 973-777-3700, extension 1932, between 9:00 a.m. and 4:30 p.m.

Please speak clearly and leave your name, phone number, the store and location where you are employed and an email address where we can contact you with the call-in information.

The call-in information changes for each meeting so it is important that you call for the current information.

That concludes this hotline. Thank you for calling Local 1262.
