

**Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, August 2, 2024 and contains two messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at [www.ufcw1262.org](http://www.ufcw1262.org).**

We would like to remind our members who work Part-Time that they are eligible for Dental Coverage after 24 months of employment and that those who work Full-Time are eligible after three months.

Our Dental Network is called the Horizon Blue Cross Blue Shield PPO Plan Network and has thousands of dentists who participate in our plan.

The quickest way to locate a participating dentist by you is to download the Horizon Blue App. You can text GetApp – G E T A P P -- to 422272 or download the Horizon App from the App store on your Smartphone.

If you are still finding it difficult to locate a dentist you can call our Health & Welfare Office at 1-800-522-4161 for assistance. You can also call them if you did not receive or lost your Dental Plan ID Card.

Our second message is to remind our members employed by Stop & Shop that Local 1262's Union Reps continue to visit your stores on a daily basis and are also available to answer your questions at anytime by calling them at 1-800-562-6913 (from New Jersey) or 1-800-526-7814 (from other states). We thank our Stop & Shop members for their patience and value their input as we navigate this situation.

That concludes this hotline. Thank you for calling Local 1262.
