

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, September 23 and contains two messages. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

President Harvey Wille was the featured guest last week on America's Workforce Union Podcast, a national podcast that has featured some of the nation's labor luminaries like AFL-CIO President Liz Shuler. President Wille addressed the impact of technology on the retail industry and how it affects workers and their families as well as other topics of importance to supermarket workers nationwide. To hear the 15-minute interview, visit our website at www.ufcw1262.org and click on the Podcast slide. You can also google America's Workforce Union Podcast on your phone to hear President Wille's September 14 interview.

The second message is to remind members that this is the last week to place your name on the Bid Sheets posted in your stores. If you are interested in obtaining full-time positions or promotion to department manager or other classified positions, please put your name on the Bid Sheets which are typically posted near the time clocks or in the break rooms. Names can be placed on the Bid Sheets until September 30 and Bid Sheets will not be posted again until March 2023.

If there are no Bid Sheets posted in your store, please contact your Union Representative immediately.

That concludes this hotline. Thank you for calling Local 1262.
