

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Wille as of Friday, September 25, 2026 and contains one message. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

Local 1262 is proud to announce that upon the sale of the Edgewater Acme to Inserra Supermarkets we have entered a Memorandum of Agreement with the new owner to protect Local 1262's members formerly employed by Acme who were hired by Inserra.

"The Memorandum of Agreement not only protects the 53 Local 1262 members employed at the Edgewater location, but will also provide for a seamless transition under the new ownership," said President Wille in announcing the terms of the Agreement. "Local 1262 stepped up to the plate to protect these long-time members who worked for Acme, many of whom worked for Pathmark before that. The Memorandum of Agreement ensures that sick, vacation and personal time, as well as health and welfare benefits, remain in place. We also successfully negotiated with Inserra to waive any probationary period for these employees, which is often a practice implemented during a corporate sale."

"We congratulate Inserra Supermarkets on their newest store and wish them much success."

The new fully-remodeled store held its Grand Opening on Saturday, September 19 and is located at 481 River Road in Edgewater.

Local 1262 members who have questions regarding this Memorandum of Agreement and its protections should speak to their Union Representative Rich Ebbe at extension 1945.

That concludes this hotline. Thank you for calling Local 1262.
