

Thank you for calling Local 1262's Information Hotline. This is the latest update from President Harvey Whille as of Friday, September 6, 2024 and contains a message for our ShopRite and Stop & Shop members. This hotline – as well as other important updates and information for our members -- can also be found on our web site at www.ufcw1262.org.

Local 1262 would like to remind our members employed by ShopRite and Stop & Shop who are covered by the UFCW and Employers Retirement and Savings Plan (also known as the Defined Contribution Plan) that they can choose to contribute either 25 or 50 cents per hour from their paycheck to their account during the Enrollment Period taking place this month.

Enrollment forms are being mailed to members eligible for this program and must be postmarked by Friday, September 27, 2024. Enrollment forms can also be downloaded from our website at www.ufcw1262.org.

Enrollment in this program occurs once a year. Members will not have the opportunity to enroll in this Voluntary Deferral Program – or increase their contribution – again until September 2025.

To enroll, or increase your contribution, complete the Voluntary Member Deferral Form and return it to the address on the form.

For ShopRite members the Voluntary Contribution will be effective the pay period beginning after October 7 and for Stop & Shop members it will be effective the pay period beginning after October 11.

Members can lower or discontinue their contribution at any time by contacting the Fund Office in writing at Frank M. Vaccaro & Associates, Inc., 27 Rowland Avenue, Mount Laurel, NJ 08054.

Members should also note that if you leave employment, you can transfer the funds in your Defined Contribution Plan Account to another Retirement Investment Account of your choosing.

Members with questions regarding this Voluntary Deferral Program should call 800-883-3682 or 856-793-2501. Or speak to their Union Representative.

This program is just another of the benefits negotiated for our members by Local 1262 as part of ensuring that you have financial security in your retirement.

That concludes this hotline. Thank you for calling Local 1262.
