

Did you know...

...that all Local 1262 members have a free Accidental Death & Dismemberment Insurance Policy that pays you or your beneficiaries \$4,000?

In addition, as a Local 1262 member who works full-time you have a no-cost \$20,000 Life Insurance Policy. If you work part-time you have a \$3,000 policy after 6 months which increases to \$5,000 after three years and to \$20,000 after 10 years of employment

You named your beneficiaries for these policies on your original Local 1262 Membership Application (done when you were first hired).

However, life situations change over time (e.g., you get married, divorced, have children, etc.) so you may want to update or change your beneficiary.

It is important to keep this information up-to-date so that the appropriate people receive these benefits. You may also want to put a note in your Personal or Home Records that you have these policies.

To change or update your beneficiary call 1-800-555-4959 and select the Enrollment Prompt.

You should also contact our Records Department if your contact information has changed (for example, a new address, new phone number, etc.) Updating this information with your Employer does not automatically update your Union Records.
