The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-522-4161 (TTY: 711). For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform</u> or call 1-800-522-4161 (TTY: 711) to request a copy.

Important Questions	Answers	Why This Matters:		
What is the overall <u>deductible</u> ?	\$250/Individual \$500/family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .		
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preventive care</u> , <u>prescription drug</u> <u>coverage</u> , <u>emergency room care</u> , <u>in-</u> <u>network</u> dental and vision care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deduction</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> cover certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .		
Are there other deductibles for specific services?	Yes. <u>Out-of-network</u> Dental: \$15/individual; \$30/family. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.		
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	<ul> <li>\$1,500 individual (Medical - \$1,350, prescription drug coverage - \$150);</li> <li>\$3,000 family (Medical - \$2,700, prescription drug coverage \$300)</li> </ul>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.		
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing, vision and dental charges, penalties for failure to obtain preauthorization and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket</u> <u>limit</u> .		
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.HorizonBlue.com</u> (call 1-800-355-BLUE [2583]) or call 1-800-522-4161 (TTY: 711) for a list of <u>network</u> providers.	This <u>plan</u> uses a <u>provider network</u> and there is no coverage for <u>out-of-network</u> <u>providers</u> in most instances. You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a network bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ).Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as anesthesia and lab work). Check with your <u>provider</u> before you get services.		

You can see the  $\underline{\text{specialist}}$  you choose without a  $\underline{\text{referral}}$ .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

## About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
